Faster delivery, and better service
all for less than you pay today.

Regional Delivery Available Across the Northeast, Midwest, and West Coast.

Our current coverage and expansion plan is developed utilizing in-depth data analysis and machine learning, specifically targeting population density and the concentration of eCommerce orders.

Who We Work With

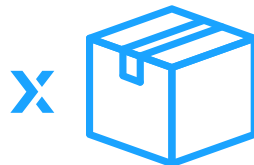

Online Marketplaces

Delight customers with next-day delivery for less than the cost of normal ground shipping.

Major Retailers

Customers want their products fast! Build customer loyalty with next-day delivery and a great CX.

Fulfillment Centers

Offer alternative delivery options to your customers while improving shipping costs and margins.

The SpeedX Experience

Customer Visibility

- Real-time tracking
- Frequent SMS updates sent to recipient
- Photo proof of delivery

Partner with Ease

- Flat-rate pricing model
- Next-day delivery with flexibility
- Capacity that scales with you
